

Bill Status Report

Commission for Higher Education

Run time: Fri May-20-2005, 10:34AM

HB1001 *State budget.*

Appropriates money to carry on state government and make various distributions to schools and other political subdivisions. Increases and extends certain fees. Provides that the department of education rather than the professional standards board governs education, licensing, and professional development of teachers. Changes the kindergarten start date. Establishes an office of management and budget. Allows the budget agency to prescribe policies for the disposal of surplus property. Permits the state to intercept property tax replacement credit distributions to pay amounts due to the state for housing juvenile offenders. Changes the amount and payment schedule for these charges. Allows counties to enter into a repayment plan for current delinquent balances. Provides for the repayment to the state of certain income tax credits granted to Lake County taxpayers. Expands local options to provide additional homestead credits to property taxpayers. Limits the application of special valuation rules for certain steel companies. Establishes minimum and maximum limits on the amount of state property replacement credits that may be granted. Specifies that references in Indiana law to the Internal Revenue Code and related regulations refer to the law and regulations in effect on January 1, 2005, with certain adjustments concerning trade or business deductions. Extends the earned income tax credit. Legalizes a resolution regarding tax increment financing for a qualified airport development project. Makes changes in the first steps, child protection, Medicaid, and CHOICE programs. Changes the formulas for the health care for the indigent, school transportation, school capital project, and school general fund levies. Allows the issuance of federal highway funding anticipation warrants. Changes the names of the campuses of the school of medicine. Changes compensation for senior judges. Authorizes an additional court and certain magistrates. Provides bonding authority for higher education construction projects. Provides additional higher education tuition setting and course credit transfer requirements. Establishes the government efficiency commission. Provides a COLA and 13th check to certain public employment retirees. Changes certain provisions related to state contributions to teacher pensions. Voids a gaming commission rule concerning fees. Makes other changes.

HB1137 *Office of technology.*

Creates the office of technology by combining the duties performed by the division of information technology of the department of administration, the information technology oversight commission, and the enhanced data access review committee. Provides that the office of technology shall assist the intelenet commission in continuing to provide those services supplied by the intelenet commission as of July 1, 2005. Provides that the office of technology shall assist political subdivisions in coordinating operations of information technology systems. Directs the office of technology to appoint a group to develop accessibility standards. Transfers to the new office the duties, rules, personnel, equipment of the combined entities, and funds (except for funds held by the intelenet commission). Makes conforming changes. Provides that the chief information officer of

the office of technology participates in decisions made by the higher education telecommunications system. Specifies that county auditors and county assessors shall (1) transmit electronic property assessment data records to the department of local government finance and the legislative services agency (LSA) in a standard format prescribed by the office of technology and approved by LSA; and (2) archive electronic property assessment data records in the fashion prescribed by the office of technology and approved by LSA. Repeals statutes establishing the state information technology oversight commission, establishing the state enhanced data access review committee, granting various powers to the intelenet commission, defining intelenet in the public purchasing law, and referring to the intelenet commission in the law concerning immunity.

HB1314 *Various education matters.*

Changes the name of the School for the Blind to the School for the Blind and Visually Impaired. Makes certain changes to the qualifications for the superintendents of the School for the Blind and Visually impaired and the School for the Deaf, and changes the title of "superintendent" to "chief executive officer" for each school. Eliminates the requirement of approval from a school superintendent and a representative of a school corporation for a high school student to enroll in the postsecondary enrollment program. Requires a school corporation and a postsecondary institution to enter into a contract concerning credits for a student attending the postsecondary institution while the student is also attending secondary school.

SB0200 *Core 40 curriculum.*

Beginning with the 2010-2011 school year, requires, with certain exceptions, a student to complete the Core 40 curriculum in order to graduate from high school. Beginning with the 2011-2012 academic year, requires, with certain exceptions, a student to have completed the Core 40 curriculum to be admitted to a four-year degree program in a state educational institution. Requires the department of education to conduct a study to determine whether a shortage of math, science, and special education teachers exists. Makes transitional provisions maintaining the current standards until the new standards take effect.

SB0202 *University bonding.*

Exempts all state educational institutions, except Ivy Tech State College and Vincennes University, from obtaining the approval of the general assembly to issue bonds for research facilities if the facilities will generate sufficient revenues to meet debt service. Allows the trustees of Indiana University to issue bonds for

acquisition, renovation, expansion, and improvement of the hotel facility adjacent to the conference facility on the Indianapolis campus. Authorizes the trustees to use up to \$200,000 of the bond proceeds for an integrated transit study for the Indianapolis campus. Provides that certain construction projects undertaken by the trustees of higher education institutions that have been approved by the general assembly are not subject to review by the commission for higher education.

SB0244 *Design-build public works projects.*

Authorizes a state agency, state educational institution, body corporate and politic created by statute, county, city, town, or township to enter into a design-build contract for the performance of a public works project. Establishes procedures for solicitation and award of a design-build contract. Requires a governing body to adopt resolutions related to design-build contracts at a public meeting for which public notice has been provided. Provides that each member of the technical review committee must certify that there is not a conflict of interest between the member and the design-builder responding to a request for proposals. Specifies that if a conflict of interest exists, the member must be replaced before the review of any proposal. Specifies that the notice of a request for qualifications must allow at least 30 days for potential design-builders to respond to the request. Requires a determination of the common construction wage to be made for a public project to be constructed under a design-build contract. Requires a written determination by a public agency that a legitimate reason exists for the replacement of a person identified by the design-builder as a subcontractor with whom the design-builder proposes to subcontract.

SB0296 *Ivy Tech Community College of Indiana.*

Changes the name of Ivy Tech State College to Ivy Tech Community College of Indiana and broadens its mission to include serving as the state's community college system and providing workforce development, assessment, and training services for students. Repeals various provisions concerning the previous community college of Indiana partnership between Ivy Tech State College and Vincennes University.

SB0304 *National Guard active duty benefits.*

Exempts spouses and children of National Guard members who are killed on state active duty from payment of tuition and mandatory fees at a state educational institution. Provides that a determination of an individual's eligibility for the tuition exemption is vested exclusively with the Indiana military department. Makes the knowing or intentional submission of a false or misleading application or statement to obtain the tuition exemption a Class A misdemeanor. Provides that the state student assistance commission may exempt income earned by a member of the National Guard or any reserve component of the National Guard or armed forces while deployed overseas from consideration as income in determining eligibility for the Frank O'Bannon grant program.

SB0397 *Various matters concerning education.*

Specifies that, if the governing bodies of two or more school corporations agree to cooperate and apportion the cost of vocational education schools or departments, the designated representatives of the school corporations constitute a board for the management of the schools or departments. Specifies the criminal intent necessary to commit crimes involving: (1) postsecondary proprietary educational institution accreditation; and (2) school bus use. Specifies that a principal and not the governing body of a school corporation submits information to the bureau of motor vehicles concerning: (1) an individual's ineligibility to be issued a driver's license or learner's permit; and (2) the invalidation of a license or permit. Repeals obsolete or superseded provisions, including provisions concerning purchase of textbooks, school taxing powers, school reorganization, school bonding, transportation of pupils, county schools, and annexation of territory. Makes conforming amendments.

SB0536 *Skills 2016 training fund.*

Requires the economic development corporation (corporation) to award training and counseling assistance

grants in accordance with the department of workforce development (DWD) guidelines. Transfers the skills 2016 training fund (fund) to the corporation. Requires the corporation to enter into an agreement with the DWD to administer the fund. Requires the secretary of commerce to allocate the money in the fund to employers and consortiums for worker training grants, after considering information provided by the DWD. Requires that Ivy Tech State College be given special consideration to be the provider of training obtained through the fund when: (1) Ivy Tech courses meet the needs of an employer or consortium; and (2) Ivy Tech is the most cost effective provider. Establishes a sunset for the fund of December 31, 2008. Repeals the incumbent workers training board. Repeals obsolete statutes concerning the fund. Requires the DWD to study the adoption of a life long learning accounts program and to report not later than November 1, 2005, to the legislative council the DWD's recommendations, including any proposed legislation. Allocates an amount not to exceed \$50,000 from the fund to the DWD to conduct the study.

SB0578 *State bonding entities.*

Changes the membership of the Indiana development finance authority, and renames it as the Indiana finance authority (IFA). Transfers the powers and duties of the state office building commission, the transportation finance authority, and the recreational development authority to the IFA. Establishes the office of public finance director. Requires the IFA to establish a state debt management plan. Authorizes the IFA to issue bonds for the wastewater and drinking water revolving loan programs. Requires the IFA to administer the wastewater and drinking water revolving loan programs, the supplemental drinking water and wastewater assistance programs, and the environmental remediation revolving loan program. Transfers to the IFA powers and duties of the budget agency and department of environmental management with respect to the programs. Repeals provisions concerning certain duties relating to the administration of the programs. Combines the health facility financing authority and the educational facilities authority into a new health and educational facility financing authority. Renames the housing finance authority as the housing and community development authority. Requires the IFA, the health and educational facility financing authority, and the housing and community development authority to adopt investment policies, and permits them to enter into swap agreements subject to those policies. Provides that certain actions taken by the IFA and the Indiana bond bank that might establish a moral obligation are subject to review by the budget committee and approval by the budget director. Replaces the director of the department of financial institutions with the public finance director on the board of directors of the Indiana bond bank. Changes the membership of the housing and community development authority. Transfers to the Indiana housing and community development authority responsibility for: (1) the administration of the individual development account program; (2) the administration of the homeowner education account program; and (3) the approval of contributions and programs for purposes of determining eligibility for the neighborhood assistance tax credit. Makes the issuance of bonds by the housing and community development authority, the port commission, or the state fair commission subject to the approval of the governor. Reduces the maximum term of bonds issued by the port commission from 50 years to 35 years. Establishes the Indiana broadband development program to be administered by the IFA to encourage the development of affordable broadband services and networks in underserved areas in Indiana. Prohibits the White River state park development commission and the Indiana political subdivision risk management commission from issuing bonds after June 30, 2005. Provides that the budget agency may request and consider the recommendation of the staff of the IFA with respect to the approval of certain bond issues by state universities. Makes provisions concerning surety bonds and annual reporting requirements consistent in various statutes governing bonding entities. Repeals provisions concerning the organization and administration of entities that are replaced by the IFA. Repeals criminal penalties for conflicts of interest under the state office building commission statute. Legalizes bonds, notes, contracts, and obligations previously issued or entered into by certain bonding entities. Makes other conforming changes.

SB0598 *Charter schools.*

Requires the department of education to publish in its school performance reports, in addition to ISTEP scores, any nationally recognized comprehensive assessment program data submitted by a school corporation, including a charter school. Increases the review period for applications to become a charter school. Allows a charter school to provide online and computer instruction in the same manner as other public schools. Requires the department of education to obtain federal funding for charter schools. Indicates that a charter school may use a private auditor and prepare financial reports in addition to audits and financial reports required by the state board of accounts. Provides that the law governing grants to alternative school programs applies to charter schools. Allows the common school fund interest balance to be used for charter school facility financing.
